The Australian Shakuhachi Society presents a Shakuhachi Concert in Sydney as part of the Australian Shakuhachi Festival 2015 (ASF15).

The Sydney Shakuhachi Concert will feature Christopher Yohmei Blasdel, Teruo Furuya, Kaoru Kakizakai and Kazushi Matama from Japan and Riley Kōho Lee, Bronwyn Kirkpatrick and David Jobst from Australia.

This event is a very rare opportunity to hear seven shakuhachi players, collectively with over two and a half centuries of experience, perform in one concert.

ASF15 and this concert is funded in part by the Japan Foundation.
